## What Data We Need for Each Product:

- Category
- Price
- “Skin Type”
- “Skincare Concerns”
- “What it is”
- All Reviews:
  - For each Review, get the following info:
    - Number of stars
    - Review title
    - Review description
    - Reviewer skin type
    - Reviewer skin tone

For each of the categories scraped, you should note the products that appear in each of the following ingredient groups (can be found by filtering for ingredients on the category page):

- Oil-free
- Paraben-free
- Sulfate-free
- Gluten-free
- Silicone-free
- Vegan
